

J Street Congressional Internship Program

Position: J Street Congressional Intern
Duration: June 10 - July 26, 2019
Application Deadline: February 24, 2019

Each summer, J Street places a select group of college students in Capitol Hill internships to experience the legislative side of advocacy work. Students chosen for the J Street U Congressional Internship Program are interns in the offices of members of Congress, learning about the inner workings of the House of Representatives and Senate. In their free time, Congressional Interns will have the opportunity to participate in a wide range of educational programs through the J Street Education Fund and other organizations and meet in-person for special seminar programming with J Street staff. For more information please see the [Frequently Asked Questions](#).

The internship is an nine-week long program, beginning the week of June 10, 2019 with an Orientation Day and running through July 26, 2019. Depending on the Congressional office in which interns are placed and the intern's availability, the term of the Congressional internship may vary. By the end of the internship program, J Street U Congressional Interns will have a broad and in-depth understanding of the legislative process, as well as J Street's role in advocating Congressional leadership toward a two-state solution to the Israeli-Palestinian conflict.

The Congressional Internship Program is also an opportunity for interested students to increase their involvement with J Street U while gaining the experience of a full-time Capitol Hill internship. Alumni of the program have gone on to serve on the J Street U National Student Board, as chairs of their campus J Street U and J Street Local chapters, and as full-time J Street staff members.

The final deadline to submit an application for the Summer 2019 internship term is February 24th, 2019. The application consists of:

5. Please also include your summer availability dates, any additional languages you speak, the internship application deadlines of the House and/or Senate offices you would prefer to intern for (at least 3), your college or university and prospective graduation date and your GPA.

Admission decisions will be made on a rolling basis. We encourage applicants to submit their materials as early as possible to ensure ideal placement in a Congressional office.
